Product Fact Sheet Evergreen®

DISCOVER THE POWER OF NATURE'S ENERGY

A liquid chlorophyll concentrate, Evergreen® provides an easy way to get the powerful antioxidants and phytonutrients of dark leafy vegetables in one tasty shot. Evergreen® enhances energy by supporting the circulatory system in the transport of oxygen, nutrients, and other elements to the body's systems.* Expertly formulated for superior bioavailability, Evergreen® contains no artificial sweeteners, colors, or preservatives.

PHILOSOPHY OF REGENERATION®

An essential principle of the Philosophy of Regeneration® is to nourish and cleanse the body to promote balance and optimal health. In accordance with this belief, Evergreen's special formula helps cleanse the body of impurities while assisting the digestive system to remove waste from the body.* Evergreen® also nourishes the body with a proprietary blend of vitamins, minerals, and phytonutrients.

INGREDIENT HIGHLIGHTS

COPPER CHLOROPHYLLIN

The main ingredient in Evergreen® is copper chlorophyllin, a type of chlorophyll that supports the circulatory system, helps clean the intestines, and aids digestion.*

IRON

This essential mineral is needed to maintain overall health. It's an integral part of the hemoglobin molecule found at the center of red blood cells. Hemoglobin aids in the transport of oxygen from the lungs to all cells.*

PEPPERMINT OIL

This essential oil provides relief for indigestion, upset stomach, and nausea.*

FAQS

Q: What is the main ingredient in Evergreen®?

A: The main ingredient is highly concentrated copper chlorophyllin, a stabilized type of chlorophyll. Referred to as the "lifeblood" of plants, chlorophyll is the pigment that gives plants their green color and is used by them to convert sunlight into energy through the process of photosynthesis.

Q: How does the concentrated chlorophyll in Evergreen® benefit the body?

A: When the circulatory system is enriched with chlorophyll, it becomes more efficient in transporting oxygen, nutrients, and other elements to serve the body's systems.* It also supports the digestive system to remove waste and toxins from the body.* Evergreen® is a good source of antioxidants, which combat free radicals and promote immune system health.*

Q: Evergreen® tastes great. Does it contain artificial flavors?

A: Evergreen® contains no artificial flavors, sweeteners, colors, or preservatives. Made with only pure, natural ingredients, this liquid herbal concentrate goes through a special extraction process that preserves the natural sweetness. Peppermint oil also lends a fresh, clean flavor to this naturally great-tasting supplement.

RECOMMENDATION

Add one vial of Evergreen® to 8 oz. of Fortune Delight®, water, or other Sunrider® herbal beverage and enjoy during the day.
